Meeting set for entertainment acts

Steve Gallinot, Pioneer Days entertainment chairman, has announced that any local acts, performers or groups interested in performing during the evening entertainment segment of the Fifth Annual Carbondale Pioneer Days should contact him no later than March 19.

Gallinot said preliminary acts will perform between 6 and 7:30 p.m. on Monday, August 22; Tuesday, August 23; Wednesday, August 24; and Thursday, August 25. The entertainment lineup for Friday, August 26, and Saturday, August 27, has been completed.

All featured bands and orchestras performing nightly from 8 p.m. to midnight have been booked and will be annoounced at a later date.

Gallinot said, "The complete 40-hour entertainment schedule will be booked by the end of March. Each year we have local groups who wish to perform but do not notify us until late in the year when our schedule is already completed. To prevent this from happening this year is the reason we're giving advance notice that those wishing to perform must contact me by March 19. After that date no more acts will be accepted."

Gallinot added that local groups performing as preliminary acts will be assigned times in accordance with available time.
